

UK Round 6 - Measurement Notice #1

Event Technical Committee

The Technical Committee in racing rule 92 is:

Andy Wibroe, International Class Measurer

Executive Committee Delegation

In accordance with class rule B.2.1(e), the Cape 31 Class Authority has delegated the Technical Committee the following responsibilities that would otherwise be discharged by the Class Authority.

Rule	Description
C.2.1(c)	Changing of crew during an event
C.2.3(f)	Ability to waive the category 1 requirement for a part owner or alternate helm.
C.2.3(g)	Approving a temporary alternate helm.
C.5.4(a)	Haul out restrictions

Cape 31 Executive Committee.

Alternate Helm Requests

Boat	Request	Applicable Class Rule	Status
Flurg (Bow# 34)	To have Josh Dawson (GBRJD139) helm on Friday as David Cummins is unable to attend on Friday.	C.2.3(f)	Approved

Change of Equipment Request

Boat	Request	Applicable Class Rule	Status
Toucan (Bow# 24)	To use a differing mainsail for the rest of racing on day 1 as Toucan's mainsail used in race 1 has a broken batten stuck in the batten pocket at the luff end requiring de-stitching etc to remove.	C.7.2(e)	Approved (@12:14 on 27/09)

Andy Wibroe, Technical Committee
