

European Championships - Measurement Notice #1

Event Technical Committee

The Technical Committee in racing rule 92 is:

Andy Wibroe, International Class Measurer

Mark Mills, Mills Design

Davey James, Licensed Builder

Executive Committee Delegation

In accordance with class rule B.2.1(e), the Cape 31 Class Authority has delegated the Technical Committee the following responsibilities that would otherwise be discharged by the Class Authority.

Rule	Description
C.2.1(c)	Changing of crew during an event
C.2.3(f)	Ability to waive the category 1 requirement for a part owner or alternate helm.
C.2.3(g)	Approving a temporary alternate helm.
C.5.4(a)	Haul out restrictions

In addition, the Executive Committee has delegated the Technical Committee the authority to issue dispensations under class rule A.3.4 which are time bound for the event only.

Cape 31 Executive Committee.

Alternate Helm Requests

Boat	Request	Applicable Class Rule	Status
Black Battalion (Bow# 63)	To have Lél Huber (HUNLH10) as an Alternative Helm	C.2.3(f)	Approved
Essentia (Bow# 57)	To have Kim Christensen (DENKC4) as an Alternative Helm.	C.2.3(f)	Approved

Change of Equipment Request

Boat	Request	Applicable Class Rule	Status

Change of Crew Request

Boat	Request	Applicable Class Rule	Status

Policy

The Technical Committee will consider Issuing an event specific dispensation for alterations to boats that were in place before the event but cannot be rectified during the event due to the scale of works required to conduct the correction.

Andy Wibroe, Technical Committee
